

BENDING THE LINEAR

Supporting the circular economy transition

On behalf of:

GLOSSARY

CESD

Three separate dialogue series focusing on various aspects of the Circular Economy:

- › Plastics/EPR
- › Global Value Chains
- › Urban Metabolism

Sounding Board

An ongoing and periodic forum connecting the thematic CESD and commenting their outputs to lift the key messages on a T20/G20 policy level and further networks and initiatives

GSI Summit

Summit of the Global Solutions which acts as a stepping stone to the T20 and G20 Summits and supports the Think20 process for think tanks

E-Publication (Intersecting)

A compilation of a diverse set of contributions that are co-created by the expert participants of the CESD

Greentech Knowledge Hub

A knowledge platform, hosted by GIZ, that serves as a space where experts connect and interact to co-create publications
