The image shows the exterior of a hostel named 'CAROB HOSTEL'. The building has a rustic wooden facade. A long wooden bar is mounted on the wall, with various bottles and jars on shelves behind it. The name 'CAROB HOSTEL' is written in white capital letters on the wood, with a small crescent moon icon above the letter 'O'. In the foreground, there is a wooden fence made of vertical slats. In front of the fence, four wooden stools are arranged in a row. To the right, there are lush green plants with some pink flowers. The overall scene is bright and sunny.
