

MEHNA

REDEFINING JORDANIAN INDUSTRIAL PRODUCTION

WHO WE ARE

A Social Impact driven manufacturing company, improving our customer's operational process through custom made technological solutions that are manufactured locally.

VISION

To become “Jordan’s”
ultimate provider of
qualitative and sustainable
industrial solutions and
services always delivered
with mastery.

MISSION

We offer our customers industrial solutions and services that are
Qualitative – Timely –
Professional – and
Environmentally Friendly.

COMPANY PROFILE AND PRODUCTS

MEHNA has been founded in 2018 as an Industrial-Environmental-Vocational company offering following:

1. Design and manufacturing of Industrial Machinery specializing in the Environmental Sector,
2. ***State of the Art PET Recycling Line***
3. Training and Awareness on Vocational Professionality and Environmental aspects

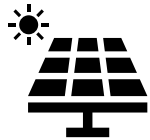

THE PROBLEM REGARDING PET IN JORDAN

- 60,000 tons/Year are PET (Polyethylene Terephthalate)
- Predicted increase in FMCG consumerism in the region
- No PET Recycling in Jordan
